Notes:

Many thanks to Lyle Ostrow and Premier Gourmet for generously providing their beer list to The Bar Towel. The list is not complete, as Premier is getting new beers in all the time. Since Premier strives for every beer in the store to be in perfect condition, they often get very small quantities of beers. Because of this, their inventory changes weekly. The list is not 100% accurate - but it is a great shopping planner for your next jaunt down to Buffalo and Premier.

If you have any questions about Premier's beer availability, feel free to contact their beer manager, Doug Loughran at BuffaloBeerDude@aol.com. If you have any questions about the beers themselves, you can also contact Lyle Ostrow at premierbeer@adelphia.net.
